Allsec announces partnership with Kronos

Cementing our commitment to being a leading provider of HR Outsourcing Solutions, we are pleased to announce a strategic partnership with Kronos Inc., a global player in workforce management and cloud HR solutions.

With Allsec's comprehensive payroll management and Kronos's innovative workforce management tools, we will provide a single integrated platform for seamless transfer of data, to enhance our value proposition to our clients. The partnership will enable our customers to retain visibility on core workforce performance, while outsourcing payroll and compliance.

Organizations are constantly looking to minimize overheads, reduce payroll leakages and, boost performance and cost visibility. They can now leverage the integrated platform solution offered by Allsec and Kronos to change the face of HR within their organizations.
